## EDUCATION

---

### Mveledzandivho Primary School

2005-2011

- o consistent member of the top ten

### John Orr Technical high school

2012 - 2016

- o consistent member of the top ten from grade 8-12

### University of Cape Town

Studying BSc in Computer Science and Computer Engineering  
2017

- o Dean's merit list in 2018

## EXPERINCE

---

### Coding

- o Languages:
  - ~basics of HTML and SQL
  - ~Python
  - ~Java
- o Won a class game project in 2018 (using python)
- o Member of the women in computer science UCT, zaio UCT and Developer Student club UCT societies

### Head girl

2011

- o I was the head girl of the school and lead a group of prefects
- o First time being a leader.

### RCL (Representative council of learners)

2016

- o I was an RCL president in 2016 and had to work in a team
- o Learned to be a leader that allows other people to lead too.

### **House committee**

2018

- I was the deputy head student of Varietas residence, thus making me a head mentor.
- Being a head mentor I sat in the RMC (residence mentorship council) and was the chair of the RMC
- This experience helped know how to work well in a team and be able to lead a house.

### **Sub-warden**

2019

- Sub-warden at Varietas residence
- The experience is different as you do not get to engage at the same level as house committee with other students.
- Learned to be a responsible 'senior' within the res

### **Orientation Leader**

2020

- UCT Orientation Leader
- Similar experience as being in the house committee because get to engage a lot with first year students.
- Learned to be very enthusiastic and patient towards different people

## **SKILLS**

---

### **Hard Skills**

- Computer and technology knowledge
- Discrete mathematics
- Problem Solving
- Experimentation

### **Soft Skills**

- Communication
- Teamwork
- Creativity
- Analysis
